OFFICE OF PETITIONS

**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

This Petition for Revival is being filed because the USPTO file is void of the Petition for Revival Applicants filed on May 27, 2004.

Support for Granting Petition for Revival

1. The abandoned application is a utility application, filed after June 8, 1995; therefore, a terminal disclaimer is not required.
2. The application became abandoned for the unintentional lack of a response to a Notice of Missing Parts, requesting an executed Declaration or Oath. A copy of said Notice and an executed Declaration are included herewith. Please see Appendix A.
3. A Notice of Abandonment was mailed to Applicants on November 6, 2003. (Appendix D).
4. A Petition for Revival was filed with the USPTO on May 27, 2004. A copy of said Petition is attached hereto as Appendix B. The Petition was received by the USPTO, on June

Best Available Copy

1, 2004, as evidenced by Applicants' postcard filed with the Petition being stamped by the USPTO and returned to Applicant (a copy of the stamped returned post card is attached hereto as Appendix C).

5. Applicant has recently been trying to determine the status of the Petition for Revival filed on May 27, 2004. On or about February 28, 2006, Applicants' attorney, Ms. Mary Hosley, a colleague of the undersigned, was informed by the USPTO that no Petition for Revival was in the file for Application 09/873,973. Since February 28, 2006, Ms. Hosley has been gathering information to show that a Petition for Revival had previously been filed. Please see Appendices A to C.

6. The documentation indicates that the original Petition for Revival arrived at the USPTO but never made it to the file. Applicants have been patiently waiting for a ruling on a petition the USPTO apparently misplaced and did not consider. Applicants are expeditiously filing the present Petition for Revival upon discovery that the USPTO does not have any record of the Petition for Revival filed on May 27, 2004.

7. The response to the Notice of Missing Parts and a copy of the Notice is included herein.

8. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

9. The necessary fees are again included for this Petition and for the response to the Notice of Missing Parts. Please see the Fee Transmittal authorizing charging our customer account for the Petition for Revival Fee and the Late Fee for the Notice of Missing Parts and any other fee necessary to make this petition complete.

Applicants respectfully request granting of the Petition for Revival.

Respectfully submitted,
